¹ The discount rate is the fee charged to you for each transaction; it will be deducted from the amount funded to you. We may change the discount structure in any way at any time by advising you in advance in writing. This discount rate may not be charged to the Cardholder.

Financing fees prohibited: Your agreement prohibits you from increasing the purchase price, by adding any financing fee (e.g. discount fee, transaction fee, program fee) when the customer has chosen to use a card to finance a purchase under the Program. You will be responsible for any financing fees charged to the customer.

Additional disclosures are required when advertising and promoting credit terms. Please refer to the Advertising Guides located on the Online Resource Center and other program instructional materials for more information about how to advertise under the program. Please refer customers to the Credit Card Agreement for details about credit costs and terms.
